

Adding Affiliate Marketing As an Income Stream, No Matter What Your Niche

Connie Ragen Green

What is Affiliate Marketing?

I define this business model as recommending what you use and benefit from to others through your trackable link, in return for a commission to be paid by the vendor or creator of what you are recommending.

Today's Agenda

- Why Recommending What You Love is a Worthwhile Pursuit**
- How to Make Your First Affiliate Sale in the Next Twenty-Four Hours**
- When to Recommend an Affiliate Product, Course, or Service Instead of Your Own**
